**Regarding effect to our China operations due to new coronavirus infection (3)**

We would like to update the effect to our China operations due to new coronavirus as follows.

1. Operation status of production bases

Production bases of our group are located in Kunshan City (3 companies), Changshu, Suzhou City (1 company) and Lianyungang City (1 company), all in Jiangsu Province. All bases resumed operation in late March and are operating almost as usual. Suppliers are generally in the same situation. We will continue to comply with the instructions of the relevant authorities and ensure the safety of our employees.

2. Operation status of sales base

Sales bases of our group are located in Shanghai, Beijing (2 locations), Shenzhen, Guangdong, Chongqing City and Kunshan City. All sales bases have resumed operations in mid-February. Some employees are working at home.
